Time for your health

Time for your health

- Do you want to know how you can make your life healthier?
- Are everyday routines becoming more and more challenging?
- Do you know your way through the health-care system?
- Do you miss social contacts?

Together we will find the right answers to these and many other questions.

Our services – offered free of charge and in your neighbourhood

- Telephone consultations
- Face-to-face consultation hours
- Preventive house calls
- Information events & workshops
- Advice and support with healthcare services

Our consultation sessions are available free of charge.

Free healthcare advice

Graduate healthcare and nursing professionals who work as community nurses will answer all questions relating to your health free of charge. They offer advice and guidance on issues such as healthy lifestyles, challenges in old age, and social connectedness, always with the purpose of promoting people's health and quality of life in their own homes.

Community Nursing is a pilot project funded by the EU, which is being carried out by Fonds Soziales Wien Pflege- und Betreuungsdienste in selected areas of districts 3, 11, 15, 20 and 21 until the end of 2024.
